Bangalore

SIR,

I have the honour to inform you that the pay of Changal Rao Hobli School master at Urigam in the Bowringpete Taluk is Rs 12 a month. The cost of living in the gold mining district has become very dear I understand that Government servants of other departments employed in the district have been granted a special local allowance I beg to recommend therefore that a local allowance of Rs 3 - - (three rupees) a month in addition to his pay may likewise be sanctioned by Government to the Hobli Master at Urigam

I have the honor to be,

To

The Secretary to the Government of Mysore
in the General and Revenue Depts,
Bangalore

SIR,

I have the honour to inform you that living and houserent have become far more costly than they were some years ago in Bowringpet and in localities within a radius of about 15 miles from the Kolar Gold Fields Government have been pleased to show some concession to servants of the Medical and Judicial Departments employed in or about the gold fields, and to grant a local allowance of Rs3 to the Hobli Master of Urigaum by Order No 4999-5000/Ed/1895 dated 26th October 1896 I request that they will be pleased to grant the local allowances recommended in the enclosed list

to all the teachers employed in the Bowringpet Anglo-Vernacular School, and all Hobli Schoolmasters within a radius of 15 miles from the Kolar Gold Fields. The effect of the grant of the local allowances recommended will be to promote the masters one step. In only one case that of D Ramiya English Assistant Master, Bowringpet Anglo-Vernacular School who is now in receipt of Rs 10, have I recommended that his pay be increased to Rs 12 and also a local allowance granted to him of Rs 3. If Government will kindly lay it down as a principle that a master serving in the schools named in the enclosed list should get the difference between his present pay and the next higher grade of pay as his Local Allowance, such a rule will facilitate the regulation of salaries of masters transferred in

5th

future to the schools named in the list According to this principle the Local Allowances will be regulated as follow

Masters in receipt of a pay of	Local Allowance Rs
Rs 5	2
Rs 7	3

Letters Nos 89 I—414 dated 22nd February 1897 from the Inspector General of Education in Mysore and enclosures forwarding statements showing the names of schools situated within a radius of fifteen miles from the Kolar Gold Fields and the names of the masters employed therein and soliciting the grant of local allowances to the masters employed in the Kolar Gold Fields

---

No 356—EDUCATIONAL DEPARTMENT BANGALORE 1st JULY 1897

ORDER THEREON —The Inspector General of Education has submitted a list of schools situated within a radius of fifteen miles from the Kolar Gold Fields and recommends the grant of local allowances to the masters employed therein in consequence of the dearness of provisions prevailing there He further recommends that as a matter of convenience a general rule may be laid down that a master serving in any of the schools in question should get as his local allowance the difference between his pay and that of the next higher grade

2 Government are of opinion that it would be convenient to adopt rates of local allowance as noted in the margin and are accordingly pleased to direct that they be brought into force from 1st July 1897 in the case of the masters now employed in or who may hereafter be transferred to the schools named in the accompanying list The allowance in each case will be charged to the fund (Provincial or Village School) to which the pay of the master concerned is debited

Local allowance	Rs.
For masters on pay Rs 10 and under	2
Ditto on 10 and not exceeding 15	3
Ditto on 15 and not exceeding 20	4
Ditto on more than 20	5

3 The Inspector General's recommendation to increase the pay of the English 1st Assistant Master and 2 peons in the Anglo Vernacular School Bowringpet will be separately dealt with
